unlimited users

Multichannel, several systems
can be used on the same site

Digital encryption, se-
cure exchanges

Can be used immediately

HD audio system

Headset & smartphone connection,
call handling

Discover **Vokkero®**, the radio communication system brand for mobile teams, enabling several users to create an instant, continuous and secure audio conference.

Recognised all over the world by referees of team sports, **Vokkero®** products are also perfectly suited to the construction, industry, maritime, security, or broadcasting sectors thanks to their robustness, lightness and audio quality.

Equipped with a **patented noise filter**, VOKKERO® GUARDIAN solves all communication problems in noisy or difficult environments. Its hands-free system provides unrestricted movement as no fixed installation is required, and thereby enhances performance.
